#### RACE DAY 4 – BMW DRAGON GOLD CUP

**Five knots current and no wind meant that the organizers two hours after the scheduled start cancelled today's race.**

Three races are now completed in the BMW Dragon Gold Cup. The rules says at least four races. The organizers have for tomorrow planned two races with an early start at 10 am. Weather outlook for tomorrow says easterly winds around 10 m/s and rain most of the day, possibly with a hint of thunder.

Weather at Marstrand on Thursday offered lots of sun and heat. Parking areas on the main land quickly filled in the morning of visitors who wanted to get a glimpse of the Swedish royal couple who were expected to the island in the afternoon to watch the races. Later in the evening the Swedish King and Queen attended the Regatta dinner which was held on the occasion of the celebration of Royal Gothenburg Yacht Club 150th anniversary.
