

# Logistical information for GKSS OCR 18

Trailers can be parked on a special area on GKSS premises, while cars have to be parked on the parking lot on the other side of Nimbus Boats, the parking is not reserved, and may fill up. Parking fee must be paid to avoid a fine.

On Friday morning, the launching area will be filled by competing boats and we kindly ask the owners of coach ribs to use the alternate launching, see map below. Driving by boat 5-10 minutes, walking 5 – 10 minutes. At the alternate launching is also a large car park, to be used in case of lack of space at the ordinary parking area.

Coach boats must be registered at the race-office, and will receive a designated mooring.
